Division Standings and Advancement

For the purpose of determining bracket standings and semifinal match participants, the following point system will be used: Win=3 points, Tie=1 point, Loss=0 points. **Any Forfeit will be recorded as 3-0 and awarded 3 points for a win.**

Ties

Ties will stand at the end of regulation play for preliminary round and consolation matches. In the event of a tie in the standings after the preliminary group round matches, bracket winners and/or runner-ups will be determined as follows:

1. Head-to-Head competition.
2. Goal Differential (max 3 in any game)
3. Most goals scored (max of 3 per game)
4. Least goals allowed
5. Penalty kicks from the penalty mark (will be played prior to the semi or final match)
6. In the event of a bye or forfeit, tie-breaking rules 2, 3, and 4 will be based on the matches played among common opponents.

Any team that forfeits a match cannot advance to semi-final and final match, nor be champions on points.

Ties after regulation play for semifinals and championship matches.

Teams will be given a five (5) minute rest and immediately proceed with two (2) successive five (5) minute overtime periods. There are no "Golden Goals." If the teams are still tied at the end of the two overtime periods the winner will be determined by using penalty kicks. Only the players on the field at the end of the second overtime period will be allowed to participate in the penalty kicks. The process for penalty kicks will be as follows:

- All participating players will immediately meet at the center of the field.
- A coin toss will determine who kicks first.
- The referee will decide which goal will be used.
- Five players will be selected from each team to participate in the first round.
- With teams alternating, each team will take 5 kicks. The team scoring the most goals will be declared the winner.

- If the teams remain tied after the first round, the remaining participating players from each team will take their kicks. Teams will alternate and the first team to score with the opposing team not scoring will be declared the winner.
- No player may kick a second time until all eligible teammates, including the goalkeeper have kicked once. Exception: if one team is playing short and uses all eligible players on the field, then both teams may start over.
- Each team may select any of their participating players on the field to serve as the goalkeeper. The keeper may be changed at any time by one of the participating players. In the event that the goalkeeper becomes injured, a player not currently on the field may replace him.

All decisions by the referee are final and binding. No protests will be allowed.

Awards for first and second place will only be given in championship divisions; none will be awarded in consolation games.

For other matches, rescheduling attempts will be made as fairly as possible, considering referee and field availability and normal progress of the competition. As a last resort, PK's may be used to decide winning teams in semi-final or final matches. Any player, coach, or team supporter sent off during this tournament will be reported to the team's home state association. Matters involving referee assault or abuse will be reported immediately to the team's home state association as required by USSF Policy 531-9.
