

JIYSC JUNIOR ACADEMY 2022 FEE STRUCTURE

CLUB FEES

The financial commitment begins when a player accepts a position on a JIYSC academy team.

1. Registration

JIYSC collects a registration fee from every player in the club. This fee is necessary to cover the extensive costs necessary to run our soccer club. These costs include the expenses related to insurance fees, online registration, governing organizational fees, field usage, field development, maintenance fees, administrative costs, and other overhead expenses necessary to maintain the organization.

2. Fee Explanation:

Training fees cover the cost of the professional staff. An initial payment is required to accept placement for the 2022-23 season and is processed through our Gotsport online registration. Payment of club fees can be made in full during registration or a payment plan can be selected at time of registration. If you select the Payment Plan, it is your responsibility to make payments on time and keep credit card information updated. Delinquent payments can result in a player being suspended from games and/or training.
